

DESCRIPTION

The Hanny coat stand is a perfect fusion of simplicity and sophistication. Crafted from solid wood, its sleek, vertical design is both functional and sculptural, making it an elegant addition to any entryway or living space. The stand's carefully arranged wooden branches provide ample space for coats, hats, and accessories, while the sturdy base ensures stability. With its organic form and smooth, natural finish, the Hanny coat stand brings warmth and character to interiors, embodying Artisan's commitment to timeless design and exceptional craftsmanship.

PRODUCTION PROCESS

The coatstands are meticulously crafted from sustainably sourced hardwood, chosen for its durability and rich natural grain. Each wooden element is precision-cut and shaped using advanced machinery to achieve clean, flowing lines. The branches are carefully assembled, with joints designed to provide both strength and visual harmony. Skilled artisans hand-finish the piece, sanding every surface to perfection before applying natural oils or protective finishes that enhance the wood's texture and ensure long-lasting durability. The result is a beautifully balanced coat stand that seamlessly blends practicality with artistic design.
