DESCRIPTION

The Luna mirror is a minimalist yet elegant piece with a sleek, half-moon frame made from high-quality solid wood. Its design combines functionality with artistic expression, making it a perfect addition to any space. Available in various sizes, the mirror's frame is available in seven wood types. The frame is finished with natural oils and waxes, enhancing the wood's natural texture while providing a protective layer. The Luna mirror blends timeless beauty with contemporary design, adding both light and sophistication to any room.

PRODUCTION PROCESS

The production of the Luna Mirror begins with selecting premium, sustainably sourced solid wood. The wood is precisely cut to form a seamless half moon frame. Skilled artisans use expert joinery techniques to assemble the frame, ensuring precision and stability. The frame is then hand-sanded and treated with natural oils and waxes, highlighting the wood's texture and providing a protective finish. The high-quality reflective glass is securely installed, and the mirror undergoes a thorough quality inspection. Finally, it is carefully packaged to ensure safe delivery, reflecting Artisan's commitment to both quality and sustainability.
