## DESCRIPTION

The Tesa collection creates a functional and pleasant ambience, filled with solid wood furniture of distinctive aesthetics. Each piece contains a dose of originality, in addition to connection in details, discreetly revealing its collection-related identity. The distinctive design and superior craftsmanship of the Tesa Table, sculptural in form and curated by designer Salih Teskeredzic. Experience the tactile excellence of this uniquely crafted table, ensuring a seamless blend of aesthetic appeal and expert artisanship. A high level of refined craftsmanship is expressed in totality as much as in particular details. Tesa evokes classic quality, with a decidedly contemporary twist.

## PRODUCTION PROCESS

Tables are crafted from carefully selected, high-quality solid wood, chosen for its durability and distinctive natural grain. Each piece of wood is precisely cut and shaped to achieve clean lines and balanced proportions. Skilled artisans meticulously assemble the components using traditional joinery techniques, ensuring lasting strength and stability. Surfaces are finely sanded to enhance the wood's texture and prepare it for finishing. The final stage involves applying a chosen finish - whether natural oil, wax, or another treatment - to protect the wood and highlight its organic beauty. The result is a versatile, handcrafted table that seamlessly blends functionality with timeless design.
