Back and seat cushions are in high resilience polyurethane Bultex foam 38 kg/m<sup>3</sup> - 3.6 kPa with a comfort layer in ultra-flexible polyurethane foam 30 kg/m<sup>3</sup> - 1.8 kPa. The backcushions are clad in 110 g/m<sup>2</sup> polyester quilting and are complemented with a small feather-filled lumbar cushion.

The 2 settees have arm cushions (foam + feather) which are designed to mould themselves to the sweeping curve of the aluminium arms.
