Everyday Design with Character

Obi is functional, everyday design with character. The shape is hearty and organic, characterized by a delightful, curvy silhouette.

The series' distinctive porcelain cups with silicone belts have since its launch been joined by bowls and a deep plate that share the same soft design idiom. Perfect for the breakfast table, soups, salads and snacks.

Choose between Sand, Grey or Warm Blush or mix up the colors. Obi is designed for daily use and safe to put in the dishwasher.
